(Reference from Mysore Superintendent's Office dt. 18-6-20)

SUBJECT:-- Sri Anjaneyaswami temple at Thippareddihalli in the Challakere Taluk.

----:0:-----

With reference to Government Proceedings No.2017-19/M.F.327-19-2 dated 9th January 1920 directing that separate orders will issue in the matter of sanctioning an allotment of Rs. 69/- annually out of the funds of the Sri Vyasarayaswami Matha towards the Deeparadhane and Rathotsava of Sri Anjaneyaswami in the above village, I beg to submit herewith the correspondence ending with Srimukha No.210 dated 14-1-1920 from the Swamigalu of the Matha in the matter of the Archak's remuneration.

2. Prior to the introduction of survey and settlement into the village, the archak was in the free enjoyment of the temple inam lands measuring 100 A 29 G assessed at Rs. 37-8-0 in return for the services rendered by him. At the time of the survey settlement the khate of the lands was made out in the name of the Deity and full assessment was also levied - the survey Department having declined to recognise any Matha inam grants

GPB—600—17-2-14

by the inamdar or to enter the same in the Quit-rent register.

3. The archak therefore prays that as the Pujarike is hereditary in his family, the patta of the lands may be transferred to his name and the assessment thereon written off the accounts. He requests also that the - kandayam that has been recovered from him - during the previous 2 or 3 years may be re-funded to him.

4. The local Officers are of opinion that it does not seem reasonable to recover the kandayem on the lands from the archak and that they may be left in the enjoyment of the archak the kandayam being paid from the realizations of the village if it is considered inexpedient to allow the institution to enjoy the lands on inam tenure.

5. The Swamigalu of the Matha who was consulted states that instead of leaving the lands in the possession and enjoyment of the archak, the same may be disposed of to the best advantage of the institution and that the Kandayam on the lands paid to the archak as remuneration for the archana services

6. In these circumstances I beg to re-commend that as agreed to by the swamigalu the kandayam on the lands in question, Viz Rs. 37-8-0 a year may be paid to the archak as - remuneration from the funds of the Matha and the Amildar of the Challakere Taluk authorised to draw on monthly bills the amount required for disbursement.

7. The connected records are herewith

submitted for reference and obliging return. On receipt of Government Orders, the Amildar will be requested to lease out the lands for a period of 5 years to the best advantage of the temple.
